RF2	Ring Factory 2	FHRC7	Forest Hill Rec 7
HP1	Hickory Park 1	BC	Conowingo - Bard Cameron

NOTES:

- All games except where noted begin at 6pm. Host field/team is responsible for bases, lining fields.
- Pool play – flip for home team
- Teams that play on a Saturday do NOT play on Sunday. Teams that play Sunday do not play on Monday.
- First round of 2018 Invitational Tournament will have 3 or 4 blind pool games on June 2-4, June 6 June 11.
- For the pool play, semi-finals and championship, games called due to darkness or weather will be considered "official" after 5 innings (4 ½ if home team is ahead). Once started, incomplete, unofficial games must be continued from the point of stoppage at a later date suitable to both teams and the league schedule and officials.
- Individual tournament games incomplete (called before 5th inning) or completely cancelled for unplayable field conditions will be made up by agreement.
- Pitching rules and limitations are in effect for all games.
- Games tied after 7 innings will continue into extra innings as daylight and the umpire allow. If still tied when the umpire calls darkness, then it is considered a tie. If an "official" game is called for darkness or weather, the score reverts back to last completed inning if the home team cannot finish their bottom half of the inning (3 outs).
- The 4 teams with the best records in pool play move to the semi-finals on June 13: #1 vs #4 and #2 vs #3. Semi-final and the Championship game must be played to completion. Again the game will be considered "official" after 5 innings (4 ½ if home team is ahead).
- Tie Breakers for pool play are: Win/Loss points earned – 2 points for each win, 1 point for a tie, 0 points for a loss. Head to head (if only 2 teams are tied), #2 (Runs allowed), #3 (Coin flip). "Runs scored" will not come into play to make it meaningless for teams to run up the scores.)
- Teams that play 4 games will get to choose which "worst" game they would like to drop.
- Championship game on June 18 at FHRC 1 weather permitting. - The tournament may be extended through June 28 if there are multiple weather-related cancellations. June 29 is the very last day of play regardless. If no champion is decided by June 28, there will be no champion for 2018.
- After each game, both teams must email the scores and pitchers and their number of innings pitched to cbenjes@comcast.net.
